

2013-2014 Chronic Wasting Disease Proclamation

TRANSPORTATION AND IMPORTATION OF WHITE-TAILED DEER, MULE DEER, ELK, MOOSE, AND OTHER CERVID CARCASSES AND PARTS.

Pursuant to North Dakota law and upon the recommendation of the North Dakota Game and Fish Director, I hereby declare the following a precaution against the possible spread of Chronic Wasting Disease (CWD) into and within North Dakota:

Baiting.

It shall be unlawful for an individual to hunt big game over bait in deer hunting units 3C west of the Missouri River, 3E1, 3E2, 3F1, and 3F2. As used herein bait includes grain, seed, mineral, salt, fruit, vegetable nut, hay or any other natural or manufactured food placed by an individual. As used herein, baiting does not include agricultural practices; gardens; wildlife food plots; agricultural crops; livestock feeds; fruit or vegetables in their natural location, such as apples on or under an apple tree; or unharvested food or vegetables in a garden. This ban does not apply to wildlife management activities conducted by or under the direction of the North Dakota Game and Fish Department.

Carcass Transportation.

(1) It shall be unlawful to transport into or within North Dakota the whole carcass or carcass parts of white-tailed deer, mule deer, moose, elk, or members of the cervid family from areas within states or provinces with documented occurrences of CWD in wild populations or from farmed cervid operations in states and provinces with documented occurrences of CWD in their farmed cervids except for the following portions of the carcass:

- Meat that is cut and wrapped either commercially or privately.
- Quarters or other portions of meat with no part of the spinal column or head attached.
- Meat that has been boned out.
- Hides with no heads attached.
- Clean (no meat or tissue attached) skull plates with antlers attached.
- Antlers with no meat or tissue attached.
- Upper canine teeth, also known as “buglers”, “whistlers”, or “ivories”.
- Finished taxidermy heads.

(2) The game management units, equivalent wildlife management units, or counties as provided in Subsections (a) through (m) have free-ranging deer, moose or elk diagnosed with CWD, and importation of harvested elk, mule deer, white-tailed deer, moose, or other cervids or their parts are hereby restricted pursuant to Subsection (1).
