Additionally, residents ages 11, 12 and 13 are eligible for a statewide antlerless white-tailed deer license and may only hunt during the Youth Deer season (this includes those who are age 10 providing their 11th birthday occurs in the same year as the Youth Deer season). Residents ages 14 and 15 are eligible to apply for a once-in-a-life-time any-deer license in lieu of a Deer Gun license (this includes youth who are age 13 providing they will be age 14 during the same year as the respective big game hunting season).

Licenses for Military Personnel -- North Dakota residents who were on federal active duty with the United States Armed Forces under Title 10, stationed outside of the state and received the expeditionary medal or campaign badge during the 2016 Deer Gun season and make application by June 7, 2017 are eligible to purchase one white-tailed Deer Gun license of their choice in the unit of their choice. Applicants are required to include documentation showing their award or qualification for the award with their application. Applications received after June 7, 2017 will be issued based on licenses available.

Youth Deer Season (Residents Only)--Residents ages 11, 12, and 13 are eligible for a statewide antlerless white-tailed deer license. Youth applicant residents ages 12 & 13 will receive their antlerless white-tail deer licenses upon application. Youth applicant residents who are age 11 will receive their antlerless license between August 1, 2017 and September 14, 2017 (Age 11 youth applicants include those who are age 10 providing their 11th birthday occurs in the same year as the Youth Deer season). Individuals age 14 and 15 who have either not previously applied for a Deer Gun license or who have applied but have never received a Deer Gun license are eligible to receive one deer license valid for the Youth Deer season, this includes youth who are age 13 providing they will be age 14 during the same year as the respective big game hunting season as well as those youth who apply at age 15 but will be turning 16 after they have applied for their license.

If a 14 or 15 year old youth licensee is unsuccessful in harvesting a deer during the Youth Deer season, the license also will be valid during the Deer Gun season. Eleven, 12 and 13 year olds may only hunt in the Youth Deer season. Anyone applying for these licenses is not eligible to apply for a license for the regular Deer Gun season. In addition, each youth must be accompanied (must be able to have unaided verbal contact) by at least one unarmed parent, guardian, or adult authorized by their parent or guardian during the Youth Deer season. All non-licensees are prohibited from carrying a firearm or bow while accompanying a Youth Deer licensee hunting in the field during the Youth Deer season. A non-licensee is a person not having a Youth Deer license.

Quadriplegics who apply for and receive a Deer Gun season license through the lottery will be eligible to hunt during the Youth Deer season. Quadriplegics who hunt during the Youth Deer season must adhere to the unit and deer-type restrictions on their license.

3. LICENSES

Deer Gun, Youth Deer and Muzzleloader licenses are issued in the form of stamps. These stamps must be affixed to the back of the fishing, hunting, and furbearer certificate and signed in ink. If space is not available on the certificate, the hunter must be in possession of the signed stamp. Deer Bow hunters will have their license number printed on their certificate and therefore stamps are not required. It is illegal to purchase more than one Deer Bow license per season. Licenses are not transferable. No person may give, barter, or sell an issued license to another person.

Deer Bow--All resident licenses are issued by the Department's Bismarck office, through the Department web site, or by calling 1-800-406-6409. A person may only purchase one archery license per year.

Nonresident Deer Bow--General nonresident bow licenses for white-tailed deer are issued by the Department's Bismarck office, through the Department web site, or by calling 1-800-406-6409. Three-hundred eighty-two (382) nonresident any-deer licenses (which include mule deer) are issued by lottery only from the Department's Bismarck office. Harvest of antlerless mule deer is prohibited in Deer Gun hunting unit 4A.

Deer Gun--Licenses are issued by a weighted lottery drawing among eligible applicants as prescribed by the Director. Persons must submit applications to the Department's Bismarck office by June 7, 2017. Because of sometimes delayed postmarking procedures, applications postmarked June 8 and earlier will be accepted. After the lottery drawing, unsuccessful applicants may apply for any remaining licenses which will be issued by lottery. If Deer Gun licenses still remain after the unsuccessful lottery applicants have had first chance at them, the Department may issue these on a lottery or first come-first served basis to any eligible person including those not previously issued a 2017 Deer Gun license.

Muzzleloader--Licenses are issued by a weighted lottery drawing among eligible applicants. Persons must submit applications to the Department's Bismarck office by June 7, 2017. Because of sometimes delayed postmarking procedures, applications postmarked June 8 and earlier will be accepted.

Fees--The appropriate fee must accompany all Deer Gun, Youth Deer, and or Muzzleloader applications. Residents and nonresidents may use credit cards, personal checks, certified checks, or money orders. If an insufficient funds check is issued and the collection agency cannot collect, the applicant shall be ineligible **for a 2017 and 2018 Deer Gun or Muzzleloader license.**

Gratis and Nonresident Landowner Preferential Licenses--Gratis and nonresident preferential licenses are issued only through the Department's Bismarck office and the number of gratis licenses issued will be subtracted from the maximum number of Deer Gun licenses available for each unit.

Licenses for Terminally Ill Children—In accordance with N.D.C.C 20.1-08-04.13, the Outdoor Adventure Foundation will be provided up to seven deer licenses to hunt the species indicated on the license in the manner, places, and times prescribed in this proclamation.
