

2023-2024 FALL WILD TURKEY PROCLAMATION

Pursuant to North Dakota law and the recommendation of the Game and Fish Director, I hereby declare an open season for the taking of not to exceed 4,435 wild turkeys. Except as provided hereinafter or otherwise by law, no person shall hunt, kill, take, possess, or so attempt to hunt, kill, take, or possess any wild turkeys.

1. SEASON DATES, TIMES, OPEN AREAS:

SEASON	OPENS	CLOSES	AREAS	RESTRICTIONS
Fall	Oct. 14	Jan. 7	All Open Units	Restricted to fall season dates and unit described on license.

HOURS OF HUNTING: are one-half (½) hour before sunrise to sunset.

2. ELIGIBILITY

Only North Dakota residents are eligible to apply in the initial fall turkey lottery. Should licenses remain following the initial lottery, both residents and non-residents are eligible to apply.

3. LICENSES

Licenses are issued by a weighted lottery drawing among eligible applicants as prescribed by the Director.

After the initial lottery, remaining licenses will be issued as prescribed by the Director which may allow individuals to obtain additional licenses in select units.

The appropriate fee must accompany all applications.

Gratis--Gratis licenses are available to North Dakota residents owning or leasing for agricultural purposes and actively farming or ranching, at least 150 acres of land located in an open hunting unit and are valid only upon land described on the application and, subsequently the license. Gratis licenses are issued only through Department's Bismarck office and are subtracted from the maximum number of turkey licenses available for each unit.

Other Licenses Required--To hunt wild turkey, all hunters regardless of age must also possess a 2023 fishing, hunting and furbearer certificate and 2023 general game and habitat license. In addition, resident hunters 16 years of age and older must possess a 2023 small game license or a combination license before hunting wild turkeys.

Special Flock Reduction Turkey Bow Seasons –

A limited number of special flock reduction turkey bow season licenses will be available for these areas and hunters may receive up to three. The bag limit shall be one wild turkey of any sex or age per experimental turkey bow license. The season shall open on October 14, 2023 and closes on January 31, 2024.

Hunters must comply with all other applicable archery rules and regulations issued by the North Dakota Game and Fish Department.

Bismarck/Mandan

A special flock reduction turkey bow season is proclaimed for the City of Bismarck and specific surrounding areas. Hunters must first obtain a trespass/access permit from the Bismarck Chief of Police (701-223-1212) before hunting on land within the city of Bismarck or specific surrounding areas.

A special flock reduction turkey bow season is proclaimed for private land south and east of the City of Bismarck in Burleigh County and is described as follows: starting where the southwest boundary of the city limits of Bismarck joins the east bank of the Missouri River, then following the city limits of Bismarck east to the point where it meets the west bank of Apple Creek in the northeast one-quarter of Section 26, Township 138 North, Range 80 West, then following the west bank of Apple Creek in a general southwest direction to its junction with the north boundary of Apple Creek Wildlife Management Area and then west and south along the WMA boundary to the Missouri River, then following the east bank of the Missouri River to the point of origin (this does not include the NDDOCR property). No access permit is required but hunters must obtain landowner permission before hunting. After obtaining permission, hunters must purchase Special Flock Reduction licenses online at the Game and Fish Department's website at gf.nd.gov.

A special flock reduction turkey bow season is proclaimed for the USDA-ARS Northern Great Plains Research Lab in Mandan, North Dakota. Hunters must first obtain an access permit from the Northern Great Plains Research Lab. Specific details, including areas open to hunting, will be determined by the USDA-ARS.

An experimental turkey bow season will be held on the ND Department of Corrections & Rehabilitation land south of Bismarck, North Dakota. Hunters must first obtain an access permit from the NDDOCR before hunting on NDDOCR land. Other details, including areas open to hunting, will be determined by the NDDOCR.

4. FIREARMS AND ARCHERY EQUIPMENT

Shotguns--Only shotguns no larger than 10 gauge and capable of holding not more than three shells in the magazine and chamber are legal. Minimum barrel length is 18 inches. Fully automatic firearms are illegal.

Rifles--Only muzzleloading long guns are legal. Centerfire rifles and rimfire rifles are illegal for hunting wild turkeys.

Bows and Arrows--Section 1a: A bows must be pulled, held, and released by hand. Any release aid may be used providing it is hand operated, the shooter supports the draw weight of the bow, and the release is not attached to any part of the bow other than at the bowstring. Arrows capable of causing damage or injury in excess of that inflicted by the cutting edges of the broadhead, are prohibited while hunting turkey with a bow (e.g., explosive arrow points, arrows tipped with drugs or chemicals, and pneumatic or hydraulic shafts are illegal). Crossbows are not legal, except with a permit from the North Dakota Game and Fish Department Director.

Section 1b: A compound bow used for hunting turkey must have at least 35 pounds of draw at 28 inches or less draw length. Recurve and long bows used for hunting turkey must have at least 35 pounds of draw at 28 inches. Arrows must be at least 24 inches long, tipped with a metal broadhead, with at least two sharp cutting edges, and have a cutting diameter of at least 3/4 inches (i.e., not able to pass through a 3/4 inch ring.) It is illegal to hunt turkey with barbed arrows. Broadheads with mechanical or retractable blades are legal. Telescopic sights, range finding devices, battery-powered or electronically lighted sights or other electronic devices attached to the bow, or the arrow, are not permitted. Exception: a lighted nock and recording devices which do not aid in range finding, sighting or shooting the bow are permitted. Handheld range finding devices are legal. When permitted, crossbows must: a) have a minimum draw weight of 75 pounds, b) be equipped with a working safety to prevent accidental firing, c) use arrows or bolts at least 14 inches in length. Crossbows equipped with pistol grips and designed to be fired with one hand are illegal. Crossbow hunters must comply with all other archery equipment regulations listed above.

Handguns--Handguns of .35 cal. and larger with 4 inch or greater barrel length are legal.

Americans with Disabilities--The Director may make reasonable accommodations to comply with the American's with Disabilities Act.

5. AIRCRAFT AND MOTOR-DRIVEN VEHICLES

Aircraft, manned or unmanned, may not be used to drive, concentrate, rally, raise, stir up, or disturb game.

It is illegal to shoot with bow and arrow or firearm while in or on a motor-driven vehicle.

Unless otherwise authorized under N.D.C.C., no person may carry a firearm with a cartridge in the chamber in or on a motor-driven vehicle while hunting turkeys. The entire cylinder of a revolver is considered the chamber, requiring the revolver to be completely unloaded. Handguns with removable magazines or clips must have the magazine or clip removed from the firearm if the magazine or clip contains any loaded shells. It is illegal to carry any muzzleloading firearm in or on a motor-driven vehicle with a percussion cap or primer on the nipple or powder in the flash pan.

No person may use a motor-driven vehicle off an established road or trail to hunt turkeys during the deer gun season. Outside of the deer gun season, a landowner or lessee who actively farms or ranches, or persons with written permission from a landowner or lessee who actively farms or ranches that land, may use a motor-driven vehicle off established roads or trails to hunt turkeys.

The use of all motor-driven vehicles on wildlife management areas is restricted to those constructed roads, well worn trails, and parking areas normally used by passenger cars.

No person may use motor-driven vehicles on North Dakota Game and Fish Department's Conservation PLOTS (Private Land Open To Sportsmen) property without permission from the landowner. These areas have been entrusted to the public for walking access through written agreements by private landowners. The boundaries of these properties are delineated in the North Dakota Game and Fish Department's annual PLOTS Guide and on-site by large yellow triangular signs.

6. BAG LIMIT

One wild turkey of any sex or age per license, not to exceed 5 licenses per person.

7. TAGGING REQUIREMENTS

Immediately after the turkey has been killed, the hunter must indicate the date of kill by cutting out the appropriate month and day from the tag provided with the license and attach it around the leg of the turkey in an exact manner as illustrated on the license document, to prevent its removal. In no case is it legal to possess or transport a turkey unless it is properly tagged. The meat tag must remain with the edible flesh during any transportation and until it is processed and packaged as food. No person may reuse or attempt to reuse any tag issued.

8. TRANSPORTATION AND STORAGE

License holders must accompany their wild turkey during transportation, except that it may be shipped by licensed public carrier in receipt of proper bill of lading.

9. AREAS CLOSED TO HUNTING

Federal or state properties such as refuges, sanctuaries, military installations, parks, or historic sites posted to no trespassing or no hunting are closed to the hunting of wild turkey. It is illegal to hunt in unharvested crops without the owner's consent. Crops also include alfalfa, clover, and other grasses grown for seed.
